## If All Were As Faithful

C. W. McDONALD says he has served as clerk of Belle Glade elections longer than

he can remember and has enjoyed every day of it. No doubt some of those now voting were held in his arms as a baby while mother cast her ballot. Shown with him is another old hand as "inspector," Mrs. Miriam Dunaway who is also an Ordained Minister of the Methodist Church.

## Constitution Changes Topic

Florida agriculturists will learn where they stand on proposed tax and constitution changes during the 23rd annual convention of the Florida Fruit and Vegetable Association, Sept. 19-23 at the Americana Hotel, Miami Beach.

A report on taxation and constitutional proposals will be presented by Chesterfield H. Smith of Lakeland, president of the Florida Bar Association and chairman of the Florida Constitutional Revision Commission.

Senator B. C. Pearce of Palatka, chairman of the Florida Commission for Tax Reform, and House Speaker Ralph D. Turlington of Gainesville will join Smith in discussing the problems.

E. A. McCabe, Belle Glade president of the United Fresh Fruit and Vegetable Association, will preside at the session.

## Adams Warns On Loss Of Local Authority

Tom Adams, Secretary of State, in a speech before a joint meeting of the Belle Glade Rotary, Lions, and Civilians clubs last Friday, September 9, expressed grave concern at the continuing encroachment of Federal power in the field of local government.

He said, "it is not only an encroachment of a higher authority but a forfeiting of responsibility by lower levels of government." In our society government is intended to be responsive to the needs and demands of the people. When local government does not respond, the people will sooner seek the response at a higher level.

He pointed out several areas in which this encroachment has and is taking place

All courses except Art are open for registration. Anyone interested may secure information by calling Belle Glade High School, 996-7246.

The course enrollment as of Monday night was 150. In addition to the above offerings, the Palm Beach County Vocational Department is offering Bookkeeping on Wednesday nights and Typing on Thursday nights. All classes meet from 7 to 9 P. M.

Employers are asked to urge employees who have not graduated from High School or who need to brush up on courses to make application.

A similar program is being conducted at Lake Shore High School, coordinated by Oris Walker, assistant principal.

Courses offered are English, Monday nights; Math, Tuesday nights; Social Studies, Wednesday nights; Science, Thursday nights. In addition to these basic courses, typing, Spanish, general shop and home-making are available, as well as modern math for parents.

## Roberts To Accept Post

Representative Emmett S. Roberts advised the Herald late Wednesday evening that he had been requested to meet with the State Board of Public Welfare in Jacksonville today pertaining to becoming their state director.

Roberts who is completing 12 years in the state legislature this November did not seek another term but ran unsuccessfully for the Public Service Commission.

Roberts said "that he had been contacted in prior years for this post, but had not been interested; as long as he remained a legislator and served the Glades area and Palm Beach County. The office administrators over 100 million dollars each year with some 2600 employees.

## Barbara Port Gets BA Degree

Barbara Wolf Port graduated with honors in August at the University of Florida with a Bachelor of Arts degree in Education. She is a member of Phi Kappa Phi honor society.

Mrs. Port daughter of Mr. and Mrs. Emil Wolf is a graduate of Belle Glade High School.

## Lions Kick-Off Football Season

Belle Glade Lions in their meeting Wednesday heard Travis Moore, a member, present a film on transportation improvements by the Southern Railroad.

The club will tonight serve a barbecue at the school grounds starting at five o'clock. Everyone is invited to either eat at the cafeteria or take it home.

Sale of the mops and brooms by Lions Club members at the city election brought in \$471. These products are made by the blind and the sale produces sufficient money to pay for the order.

## B. B. Rawls, Sr. Improving

Mr. B. B. Rawls Sr., of 364 S. E. 4th St., Belle Glade is able to be up and about after having surgery on August 29, at Glades General Hospital and was released Sept. 6. He stayed three days with his daughter, Mrs. R. H. Cooper on South Main St., after being released. Recently visiting him was his son, W. A. Rawls of Hattiesburg, Miss., who was by his bedside while in the hospital.

Cigarette tax collections for the month of July, 1966 in the Glades amounted to \$10,807.44, according to the report released by Ben Morris, Director of the State Beverage Department.

Belle Glade accounted for \$10,739.43 of this amount; Pahokee \$4,471.87; South Bay \$1,596.14.

### George H. Wedgworth Is Youngest FFVA President

GEORGE H. WEDGORTH

George H. Wedgworth at 36 became the youngest president of the Florida Fruit and Vegetable Association when he was elected during the 1965 convention.

Mr. Wedgworth is one of the most active men in the State of Florida. Besides being FFVA president, he also is president of Sugar Cane Growers Cooperative of Florida and of the Federal Land Bank Association of Miami. He is vice president of Wedgworth's Inc. fertilizer company. Wedgworth Produce Inc., Florida Fresh Produce Exchange, and the

## Bowen Retained On Commission; Connell, McCall Face Run-off

More than 60% of Belle Glade registered voters cast ballots in Tuesday's election to fill two vacancies on the city commission. This turn out compared to Miami's 10% to 15% could be considered good, but compared

to South Vietnam's 83% puts us to shame. Executive Connie Bowen carried 719 votes against Bennie Richmond 571 votes for the Central Borough seat.

## Mayo Takes Over From 'Pappy' Denton

Neil Hulon Mayo will take office as South Bay City Commissioner from Group 2, as C. F. "Pappy" Denton vacates the seat. Mayo defeated his opponent Franklin W. Kelley by 64 votes when he polled 262 against Kelley's 198 in Tuesday's runoff election. A total of 452 ballots were cast in the two polling precincts out of 756 eligible electors.

Mayo, a comparative newcomer to South Bay, had the endorsement of oldtimer Pappy Denton. "We need

young, vigorous leadership for a young, vigorous community," Denton said. Mayo, a field foreman for Okelanta Sugar, will join newcomers Norman R. Austin, Group 1, and J. S. Smith, winner from group 2, as "new blood" to serve with Marvin Davis and Woody O'Neal on the commission.

Mayo led in Precinct 2 with 154 ballots to Kelley's 58. Kelley was favored in Precinct 1, where he was given 136 votes.

## Security

Viewed positively, we think of security, today, as a good and positive force, as a peace of mind, freedom from anxiety, freedom from uncertainty, and freedom from fear. With a sense of security, we are able to concentrate on the productive aspects of life and living.

Viewed negatively, the lack of security generally is thought of as a bad and unproductive force characterized by doubt, apprehension, worry, fear, anxiety and other restrictive feelings for the human being.

There is strong evidence that as society advances economically, a man's desire for security is magnified. There is strong evidence that all people want security. Some need it more than others, and it is doubtful that any man could exist for long in an environment of total insecurity.

We want security from the horrors of war, the pain of illness, the loss of income, the fear of fire, the fear of failure, the fear of death, and other basic forces. With the advance of civilization and the industrial revolution, further progress toward security was made, however a whole new set of insecurities has been created.

We might well ask today, what is the proper role of government in creating economic security? Is there a conceivable conflict between security on the one hand and individual initiative, enterprise, and freedom on the other? Whatever your conclusions, it seems to us to be vitally important that we learn more about the effect of security on the will to work, the will to save, and the will to preserve the best of our moral and spiritual values.

## Good to the "Oldsters"?

By Russell Key

"There's an old axiom in politics," thundered Vice President Humphrey to Democratic Party chairmen after he had enumerated a long list of multimillion dollar measures passed by Congress: "Let the people know what you have done for them and they will treat you right."

No administration in American history has done so much as the present one. They have used billions of dollars of taxpayers' money, yours and mine, to sink this nation deeper in the mire of debt and nearer to a disastrous inflation.

Poor duped "oldsters" fall for the old political line. "Look what we are doing for you." We have increased your social security payments, given you Medicare, insured your future.

But those of us on fixed incomes, and I am one of them, realize that our benevolent government, in search of votes, has taken us to the cleaners.

When I retired I assumed that my savings, my insurance and income from several sources would take care of me for life. I did not want to be a burden on my children and took pride in the fact that I could look after myself.

But now I wake up to find that the dollars I saved are not worth half what they were a few years ago and with prices steadily increasing will be less and less in value in the future.

Business and industry, concerned with keeping alive just as you and I, demand get higher and higher wages, higher and higher prices.

## LETTERS TO THE EDITOR

Belle Glade Herald  
Gentlemen:  
May we take this means of expressing our appreciation for your kindness in publishing the address by Mr.

William J. McCormick entitled "Holy Name" in your August 25th issue. You will perhaps agree that for a layman to compose such a spiritually inspiring address is rather

newsworthy and is a first step in the progress of ecumenism. Thank you, St. Philip's Holy Name Society. A. L. Webre, President

## The Three Monkeys

P. O. Box 986  
Ft. Myers, Fla.  
July 18, 1966

Dear Folks,

This was obtained through one of the leading Realtors here, with author unknown. Kurtz and Sons By Thomas A. Kurtz (or Howard E. Kurtz, Trustee)

### THE THREE MONKEYS

Three monkeys sat in a coconut tree, Discussing things they're said to be. Said one to the others, "Now listen you two, There's a certain rumor that can't be true; The man descended from our noble race — The very idea is a disgrace!

"No monkey ever deserted his wife, Starved her babies and ruined her life; And you've never known a mother monk To leave her babies with others to bunk, Or pass them on from one to another, 'Till they scarcely know who is their mother.

"And another thing you will never see: A monk build a fence around a coconut tree, And let the coconuts go to waste, Forbidding all other monks to taste. Why, I'd build a fence around my tree? Starvation would force you to steal from me.

"There's another thing a monk won't do: Go out at night and get in a stew; Or use a club, a gun or a knife And take some other monkey's life. Yes, man descended, the ornery cuss; But, Brother, he didn't descend from us."

## Breach in the Wall

Sweden is often pointed to as the showplace for socialism. With this in mind, one would suppose that the land area in Sweden would be predominantly publicly owned. But, of Sweden's 112 million acres of land, only 25 per cent is owned by the government, while the remaining 75 per cent is held by owners. By contrast, in the United States, supposedly the stronghold of capitalism, free enterprise and private property ownership, 39 per cent of its nation's 2,300 million acres of land is owned and controlled by federal, state and local governments.

### CLEAN UP!

Why is it important to prevent litter and safeguard beauty? Litter is not only a health and safety menace, but is expensive to clean up. Some \$500 million in tax money is spent each year to de-litter highways, city streets, parks, beaches and other public areas, according to Keep America Beautiful, Inc. Conversely, a clean well-kept community generates citizen pride, indicates stability and property values hold up.

CLARK, S. D., COURIER: "The community that aspires its goal is one where every resident considers himself the head of that community. I am the community in which I choose to live. I am the generating factor for the progress that community makes. I am responsible for the conditions that exist in that community. I surrender that responsibility only when I assume similar responsibilities in another locality where I might elect to make my future home." NORWALK, CONN., HOUR: "Criticism of the press in connection with reporting the war in Viet Nam have been refuted by Wes Gallagher, Associated Press general manager. . . Mr. Gallagher noted that criticism of the press by government lies in direct proportion to the amount of adverse news printed which may not be in line with government policy. Which makes us all grateful for living in America, land of a free press. Government may criticize but it cannot halt the accurate reporting of the news whether it be good or bad for the administration."

ISN'T IT PLEASANT to hear of something nice that somebody has said about you behind your back?

## Dear Editor:

"Now This Is What I Think! . . ."

Did you ever write a letter to the editor?

It's fun to see yourself in print. But actually, you're not writing to only the editor. If he prints your letter — and he probably will — you are really writing to all the thousands of readers of this newspaper. That's a substantial body of readers, but don't let that scare you . . . write as if you were talking to just one of them.

## What Do You Write About?

Perhaps you are really mad at the editor and want to tell him off on some opinion he has voiced. Perhaps you can't contain yourself any longer on some important local issue. Perhaps you just like to sound off now and then on topics of current interest. Whatever you choose, the "letters to the editor" column is your opportunity to speak your opinions.

## We Welcome Good Letters . . .

In writing them, please keep your letters reasonable in length, reasonable in tone . . . free of defamatory matter. Remember, the editor must "boil down" your letter if too long, and will take out statements that are libelous . . . even though the letter has your name printed underneath.

## Plenty of Topics . . .

It's really fun to write to the editor. We don't recommend that you become a "chronic" letter writer, but every now and then we'll be glad to hear from you . . . taxes, highways, elections, the legislature, streets, parks, schools, city government, accidents, safety, business . . . scores of things to write about!

## Uncle Dan From Doolie Says:

DEAR MISTER EDITOR:

The fellers at the country store Saturday night was so full of what ole Doozie Dean used to call "static" that I was afraid the sparks was going to set the store on fire.

First off, Clem Webster of the Great Society bring out a newspaper clipping showing where the Postmaster General had ordered all post office workers to start using rubber bands instead of twine to tie bundles of mail. The piece said they had conducted a survey and found bands would last longer and would save \$4 million a year. Clem claimed this was the beginning of a big economy wave in the Great Society.

Ed Doolittle, that still carries Goldwater's button in his pocket and Abe Lincoln's picture in the back of his watch, allowed as how it probable cost \$4 million to conduct that survey and they wouldn't be no savings for the first year. Furthermore, said Ed, by that time the twine lobby in Washington would have took a few Senators to some horse races and another \$4 million survey would show rubber bands wasn't strong enough to do the job.

Zeke Grubb, that votes either way, depending on how farm prices was at election time, said he was again the fellers bringing all them newspaper statics to the Saturday night sessions, but on account of he didn't want to get marked absent, he had brought along a little one himself. Zeke's

piece reported they was 12 doctors, 11 lawyers and judges, 40 gas station operators and 40 telephone workers, a total of 103, fer ever 10,000 American citizens. But they was 120 Federal employees, 27 more than all the doctors, lawyers, judges, filling station and telephone workers put together, fer ever 10,000 citizens.

The storekeeper butted in to say he was agreed with Zeke and was again fetching all them fingers to the sessions, claimed fingers and philosophy didn't mix and he would rather listen to philosophy. But, allowed the storekeeper, since everybody was gitting in on the act, he had a few fingers of his own. He brung out this piece where the Commissioner fer the Bureau of Indian Affairs reported to a Senate committee last week that his Bureau now had 22,000 workers looking after the needs of 308,600 Reservation Indians, or one Federal employee fer ever 14 Indians.

All the fellers was agreed that our Indians deserves the best and it was a pity they was gitting all this Federal snoothing calid supervision.

It made me recollect, Mister Editor, what that feller Mark Twain said once. He said it was a God's blessing. Americans didn't git all the government they paid fer.

Yours truly,  
Uncle Dan

## More Like Him Needed

Florida drug chain president Jack M. Eckerd has announced a ban on all "indecent literature" in the firms 59 stores located throughout the state. He has said he urged the public to join the "war on smut."

The Eckerd Drug Co., president, a father of six, said he was making the move because questionable magazines, paperback books and newspapers are readily available to children in a

"family" drug store. The action by the chain will eliminate about five per cent of the books and magazines now carried by Eckerd.

Eckerd said a list compiled by the National Office for Decent Literature, a Catholic-oriented body in Chicago, and another list supplied by National Churchmen's Council, a Protestant group, will be the basis for dropping a book or magazine by the drug chain

## Florida Baptists Get Chance To Aid New College

Florida Baptists, outside of Palm Beach County, get the first opportunity to financially aid their new college in the Palm Beaches this month by contributing to the special State Missions Offering.

Of the \$138,000 goal of the State-wide offering, \$75,000 is earmarked for the Baptist College to be built in Palm Beach Gardens. Each year member churches of the Florida Baptist Convention take a special offering, usually in September, for various agencies and programs.

Groups included in this year's appeal are the West Florida Baptist Assembly, Florida Memorial College, Baptist Home for Children, United Christian Action and Women's Missionary Union.

This year's goal of \$138,000 is \$76,000 more than last year's. However, last year's goal was over-subscribed by \$38,000.

Last year at Fort Lauderdale, the Florida Baptist Convention voted to add the college to the Special State Mission offering to provide planning funds for the college.

The local Baptists, under the direction of the College Committee of the Palm-Lake Baptists Association, are conducting a \$1,500,000 building-fund campaign. More than \$760,000 has been raised.

DAN GAYNOR, guest speaker on "Conservation" chats with Mrs. Newell Gaskell, president of Belle Glade Garden Club.

## Belle Glade Garden Club Hears Program On Forests

The Belle Glade Garden Club met at the club house in McDonald Park on Thursday, Sept. 8th at 12:30 P. M. The guest speaker, Mr. Dan Gaynor, is a lumberman from West Palm Beach formerly was a farmer from the mid-west, and is currently a consultant for County Commissioner of Palm Beach County. He was introduced by club president Mrs. Newell Gaskell to each member as they arrived and to a guest, Mrs. J. A. Ponder, president of the Chosen Garden Club.

Mrs. Della Altman asked the blessing, and all sat down to a lovely covered dish luncheon. Mr. Gaynor then presented his program on conservation, and the business meeting followed conducted by Mrs. Gaskell.

Hostesses were Mrs. Ivan Van Horn, Mrs. C. W. McDonald, and Mrs. Wm. S. Robinson. There were fifteen members, the guest, and the speaker present for this first meeting.

All agreed that the program presented by Mr. Gaynor was most interesting and educational. Sound film on the forests of northern California and southern Oregon was followed by one on Pine forests of the southern states. Forests from the earliest days of the first settlers, on down to our present-day way of life, are almost indispensable.

The ever-increasing use of lumber threatened com-

plete destruction of our forests. Constant withdrawal and no replacement measures threatened elimination near the end of 1930, when a group of forethoughtful men decided that the lumber balance must be watched and corrected. The forest industry today is like other industries in which crops are planted and harvested excepting that it is exceedingly long-range crop. Forest management, re-seeding, weeding out of the smaller and weaker trees, fighting off diseases, the number one enemy, protection from fires, and cross pollination with rust resistant trees have enabled us to preserve our forests and produce more usable lumber than ever before. Yield of lumber has increased ten to one hundred times faster with this human help.

Our Southern Pine trees grow three times as fast as the Northern hardwood tree and plywood has become a huge potential for our pine woods. Today there are forty million acres of "tree farms" and hundreds of additional acres have been started with selective foresting and re-seeding with rust resistant seeds. The amount of lumber harvested becomes greater each year because of conservation measures, and the South is becoming the largest producer of lumber in the United States. Millions of board feet are produced yearly &

## Elder Creel Elected Officer Baptist Assn.

The South East Florida Association of American Baptist Churches convened Saturday, Sept. 10 at the First Baptist Church at White City for its annual meeting and election of officers. The speaker was Elder E. L. Johns, pastor of the host church, formerly of Belle Glade.

Elder Jimmy Creel, pastor of the First Independent Missionary Baptist Church

of Chosen represented the local church. Officers elected were Elder Jimmy Creel, moderator; Elder E. L. Johns assistant moderator; Jim Soden, secretary and Treas. Central Baptist Church, West Palm Beach; Everett Smith, assistant sec. and Treas. Lakeview Baptist Church, Pahokee; Chester Johnson, publicity, from Clewiston Baptist Church.

It was announced the Clewiston Baptist Church has chosen for the annual meeting next year with Elder Rubin Barfield bringing the morning message and Elder Grover Taylor, the evening message.

## Spanish Mission To Have Supper In Jameson Hall

The Spanish speaking people in this area are invited to a covered dish supper Thursday, Sept. 22 at 7 p. m. in Jameson Hall of Community Methodist Church.

Rev. C. M. Benitez, pastor of the West Palm Beach Methodist Spanish Mission, and also pastor of the Methodist Mission here announce that following the supper there will be entertainment and an hour of fellowship, anyone desiring to attend will be cordially welcomed.

The regular Sunday night meeting of the Methodist Spanish Mission is conducted in the chapel of the church at 7:30 P. M. All Spanish speaking people are invited.

still there is no longer any danger of a shortage.

Our forests today also provide such facilities as camping, swimming, picnicking, boating and skiing, and are a paradise for the botanist. Last, but not least, is the awe and reverence one feels in a forest of the very near presence of God.

**NASSAU, BAHAMAS** — Miss Beverly Steele (left), her parents Mr. and Mrs. Roe Steele, 901 S. E. Third St., Belle Glade, Fla., and friend Miss Frances Collins, 9 N. W. Ave. D, Belle Glade, step from the S. S. Bahama Star on their arrival in Nassau. Miss Steele was second runner-up in the "Miss 16 of America" contest. She was awarded the Nassau trip for two when crowned Harvest Queen for 1986 in a contest sponsored annually by the Belle Glade Jaycees. The group's trip was arranged by the Bill Masons of Paradise Tours, South Bay.

## Local Girl Is 2nd Runnerup To "Miss 16 of America"

Miss Beverly Kay Steele, who this year won the Harvest Queen Contest, sponsored by the Belle Glade Jaycees, recently competed in the Fourth Annual Miss 16 of America Contest held in Philadelphia, Pennsylvania, and was second runner-up to Miss 16 of Biloxi, Mississippi, Marsha Beauregard, winner of the title.

Beverly said it all began after she won the Harvest Queen title, when Tony Glenn of Channel 5 telecasted the contest. Glenn sent

her picture into the Miss 16 Magazine. She entered as Miss 16 of Palm Beach, one of 44 girls competing for the coveted title, and was sponsored by WPTV-TV.

Selected, among the eight girls as finalists, Beverly, as Miss 16 of Florida, was notified to appear in Philadelphia, all expenses paid by 16 Magazine. Accompanied by her mother, she appeared on the star-studded Mike Douglas Television Show, which is nationally syndicated by Westinghouse Broadcasting Company to over ninety two major cities. Each of the eight girls received a lovely dress from Country Juniors as well as other gifts, as they were entertained by Miss Gloria Stavers, Editor in Chief of 16 Magazine. The girls were judged on beauty, character, deportment, poise and talent.

As 2nd runnerup for the title, Beverly received many lovely gifts including a trophy. She and her mother Mrs. Roe Steele had a wonderful time, returning home via Chicago where they visited relatives.

Beverly will be leaving Sept. 23 to attend Massey Junior College in Atlanta, Ga., where she will major in a Fashion course.

## Chapter Hears Talk On Gardens

The home of Mrs. John O'Connor was the scene of the Sept. 12 meeting of Iota Epsilon Chapter of Beta Sigma Phi at 8 p. m.

At the business meeting it was decided that members sell Christmas wrappings starting in about three weeks. Each member was presented with a new program book.

The Cultural program was presented by Mrs. Petie Kirchman on the topic of "The Garden." She read several poems about gardens and also gave a short talk on what gardens are, demonstrating by showing some beautiful pictures of different types of gardens. After the program, Mrs. O'Connor and Mrs. Gordon Corbin, cohostesses for the evening served delicious refreshments.

Others present were Mrs. Jane Evans, chapter sponsor, Mrs. James Chambliss, Mrs. Billy Cowart, Mrs. Dick Hooker, Mrs. Buck Jones, Mrs. Terry Kirchman, Mrs. Ron Kirchman, Mrs. James Paulk, Miss Bobbie Stephens, Mrs. Mike Wilson, Mrs. Roger Walker.

## Xi Beta Gammis Steak Supper Slated Saturday

At their first meeting of the club year, Xi Beta Gammis Chapter of Beta Sigma Phi recorded fifteen members present and four absent, when they met at the home of Mrs. Earl Lindrope with Mrs. Bill Burke, as hostesses, on Thursday night.

With Mrs. Chas. Burkett presiding, the group heard from reports from the various chairmen as to their plans for the coming year, and the first social listed will be Saturday night at the Elk's Lodge where a Dutch steak supper is scheduled, according to Mrs. Thomas P. Baker, Social Chairman.

Year books were presented to each member by Mrs. Joe LaFlam, Chairman of this committee, and Mrs. Bill Graber as her co-workers. The books were complete in every respect with attractive format.

An excellent program was presented by Mrs. Graber and Mrs. LaFlam with two parts entitled "An Echo of the Past" and "Windows of the Soul."

Lemon cake, nuts and coffee were served to Mrs. Thomas P. Baker, Mrs. Tom Bell, Mrs. Roy A. Brown, Mrs. Chas. Burkett, Mrs. Bill DePaulis, Mrs. Bill Graber, Mrs. Howard Hill, Mrs. J. Eddie Jones, Mrs. Joe LaFlam, Mrs. F. F. McAllister, Mrs. Rosa Nash, Mrs. O. G. McWhorter, and Mrs. Wn. Gruber.

## Beginning Day Luncheon Held By Chapter

A beginning day luncheon was enjoyed by members of Iota Epsilon Chapter of Beta Sigma Phi Sorority on Saturday, September 10 at the home of Mrs. James Chambliss.

An event of the luncheon was a hat contest. Each member created a hat for herself. Those receiving prizes for their hats were Mrs. Roger Walker, (the most original), Mrs. Gordon Corbin (most comical) and Mrs. Petie Kirchman (prettiest).

Mrs. John O'Connor, the president gave a talk about the meaning of Beginning Day. During the business meeting the various committee chairmen gave reports about events planned for the coming year.

Mrs. Terry Kirchman, Girl of the Year, gave a talk on her trip to the convention at Miami last June 3-5.

## BPW Tea Social Event Of Week

Mrs. Ruth Enfinger, chairman, Dorothy Jones, Rosa Nash, Kathleen Rogers and Jean Burns.

Green and Gold, club colors, were featured in the decorations at the Tea held by members of the Business and Professional Women's Club on Sunday afternoon at the home of Mrs. J. Paul Jones.

The table was attractively arranged with a green linoleum cloth and was centered with an arrangement of yellow roses and daisies in a silver vase. Yellow hibiscus surrounded the crystal punch bowl. Club colors were also carried out in the embossed napkins, other decorations, and refreshments. Presiding at the punch bowl were Miss Kathleen Rogers, Mrs. Richard Burns, and Mrs. Margaret Moseley.

Mrs. Rosa A. Nash, Mrs. Jones, and Mrs. Mack Enfinger met the guests at the door, and Mrs. Juanita

Croft, Miss Sylvia Scott, and John Pitts kept the guest book. Members of the club assisted in entertaining and kept visitors informed about BPW.

Guests calling throughout the afternoon were Miss Thelma Moore, Mrs. Harly M. Moore, Mrs. Martha Pace, of West Palm Beach, Mrs. Helen Moyer, Lake Worth; Miss Margaret Irvin, Mr. Carl Lockmiller,

Mrs. Harold Gilbert, president, presided.

It was reported that a social featuring a cookout Saturday night at the home of Mrs. Sam Knight was enjoyed by members and guests.

Mrs. Garold McKee, Chairman of Ways and Means committee announced a rummage sale to be held on October 1.

Following the meeting, Mrs. Robert Mathews presented the program on an interesting topic "Oratory." Refreshments were served by the hostess to Mrs. Peter LaChance, Mrs. Alvaro Sanchez, Mrs. Terry Villier, Mrs. Harold Gilbert, Mrs. Carl Waggoner, Mrs. McKee, Mrs. Louis Guerrero, Mrs. Mathews, Mrs. Ronald Cameron, Mrs. Sam Knight, Mrs. Manuel Soto.

Mrs. S. B. Cowart spent Friday in Oklawaha; also spent her mother, Mrs. Lettie Simmons.

## 'Butterflies' Is Interesting Topic Of Garden Study Club

The first meeting of the Garden Study Club for the 1986-87 season was conducted at the home of Mrs. Wayne Baughman Friday, A. M. Mrs. Howard Lamb was hostess.

Mrs. E. A. McCabe, program chairman, introduced Mrs. Thomas Bregger, who presented the program.

A most interesting talk on "Butterflies" was made by Mrs. Bregger, who related astounding statistics about this class of the insect world. The butterfly and moth are in the same class among many startling things she pointed out was the fact that the monarch butterfly migrates a distance of 1,700 miles from Canada to California and Florida usually in swarms. The monarch is only one in at least 100,000 that have been described by the year 1960.

Mrs. Howard Lamb, president, presided at the business meeting at which many different interests for the year were discussed.

Announcement was made of the Artistic arrangement workshop to be held in McDonald Park Clubhouse on Oct. 5, and also the next regular meeting at the home of Mrs. Howard Burdine.

Contest on flower specimens of Celosia was held.

## Ribbon Corsage Making Slated

## More Than 200 Courses Approved For Study Under The G. I. Bill

More than 200 career-building home study courses offered by the International Correspondence Schools, Scranton, Pa., have been approved by the Veterans' Administration under the terms of the new G. I. Bill of Rights, reports Doyle J. Green, Jr., local ICS representative, 4303 Pine Street, West Palm Beach.

Eligible for ICS training under the G. I. Bill are veterans who were discharged or released under conditions other than dishonorable, and who served on active duty for 181 days after January 31, 1955. Members of the armed forces who have served for at least two years and are presently on active duty, and veterans who served less than 181 days who were discharged or released cause of service-connected disabilities are also eligible.

The first step in applying for G. I. educational benefits is to obtain VA form 21E-1990 from a regional office of the Veterans' Administration. When this form is completed, returned, and processed, an applicant receives his Certificate of Eligibility. This tells him the educational benefits to which he is entitled.

To apply for an ICS course under the G. I. Bill, an applicant must fill out the regular ICS enrollment application and note his Certificate of Eligibility (C) number. Those who have not received their "C" number will still enroll for the ICS course of their choice and send in their "C" number when they receive it from the VA.

## New Commissioners Take Office

Norman R. Austin, left, and Jay S. Smith were seated as new commissioners for the city of South Bay at an organizational meeting Wednesday night, September 14, at city hall.

Austin won the Group 1 post over incumbent Mayor-commissioner Cosby Crews and Jay S. Smith, defeated incumbent Henry Eifers in Group 3.

These two new commissioners, along with Neal Hulon Mayo, winner in the Sept. 13, runoff election as commissioner from Group 2, will join Woody O'Neal and Marvin Davis on the commission.

The commission is confronted with hiring a new City Clerk to replace Herbert A. Craig, whose resignation is effective Sept. 26, and preparing a new city budget which goes into effect October 1.

Craig resigned his office last Friday, and his resignation was formally read at the Monday night commission meeting.

## To The Father Of The Bride

By Russell Kay  
If you happen to have a daughter of marriageable age and face the problem of becoming the father of a bride, you will do well to read an article by Bill Davidson in the August 13 issue of the Saturday Evening Post.

Mr. Davidson took time out to research modern day costs of a wedding as it applies to the father of the bride. He tells how modern day hucksters have organized the business into a multi-billion dollar racket.

The newspaper announced that so and so are engaged and you don't have your telephone removed and go into hiding you won't have moments peace until the day of the ceremony.

Everybody wants to get in the act. Their soul desire, of course, is to help you, for a price, of course. Assuming you love your daughter and want to have the best for her there are experts who will take the entire problem off your hands. They will take care of everything and all you will have to do is pay the bill.

Or if you like to do your own shopping and make your own arrangements you can deal directly with beauticians, apparel makers, tailors, photographers, jewelers, hotels, clubs, caterers, printers, engravers, mailing services, bakers, and a host of other expert beavers who will contact you constantly by phone, mail and personal calls.

Any club or hotel will be happy to take care of the rehearsal dinner, the reception after the wedding and, of course, the cocktail party, and boy what the cocktail party can do to you. Davidson tells of one father who, after receiving the liquor bill for a reception, where he was charged by the bottle, got our pen and paper and checked the liquid refreshments served against the guest list. He found that everyone at

the reception would have had to have 20 drinks including 12 children who were under 10 years of age, but who is going to haggle with a club manager at a time like that. He paid the bill and is still wondering how all those people including the children were able to carry their liquor so well.

Some caterers offer their expert services for a nominal fee and then knock down a fat commission from either the bride or groom. Twenty per cent from the florist, 10 percent from the photographer, 20 percent from the hotel or country club and so on, all of which adds up to a tidy sum when papa has to pay the bill.

There is no limit to how much you can spend, and you can have anything from ice sculpture to a flock of live doves or love birds.

According to the Department of Commerce, weddings and their accompanying activities are costing Americans \$7.2 billion annually for the record number of 1.8 million weddings that will take place this year.

But read Bill Davidson's article "Nothing Too Good For My Daughter," in the Saturday Evening Post.

A multi state hobby exposition, the first Annual Southeastern States Ceramic Hobby Show, will be held at the Palm Beach Towers Hotel Sept. 29 thru Oct. 2.

The event is being conducted to teach and service people interested in the creation of ceramic art and utility ware as a hobby. The show will emphasize education in ceramic and china decoration and will feature displays of hand-crafted and suppliers from throughout the country.

The show will be open to the public from one until nine p.m. each day.

## Coast Guard Academy Announces Application And Test Dates

The Commander of the Seventh District announced today that eligible young men are reminded that November 1 is the deadline for submitting applications to compete for appointment as Cadet, United States Coast Guard. He also pointed out that those living in overseas areas must have their applications in by October 1.

The 91st annual competition for admission to the United States Coast Guard Academy at New London, Connecticut, will commence on December 3 with the administration of the College Entrance Examination board tests. Appointments will be made solely on a competitive basis with no congressional appointments or geographical quotas.

An applicant must be an unmarried high school senior or graduate, who has completed his 17th but has not had 22nd birthday by July 1. Applicants must be high school graduates who have earned 15 units by June 30th of this year including the following units: Three in English, two in Algebra and one in Plane Geometry. Applicants must be in excellent physical condition.

## Teacher Exams Scheduled

Area-wide examinations for teachers have been scheduled at Palm Beach Junior College Saturday morning, October 8, according to Elbert E. Bishop, PEJC registrar.

The National Teacher Examinations are given in a one-day test session, and are required by many school systems and encouraged by others as credentials for teaching jobs.

A teacher prospective teacher may take the common examination, taken by all, and one of the teaching examinations, on subject matter and methods in his own special field, Bishop said.

## Hobby Show Slated

A multi state hobby exposition, the first Annual Southeastern States Ceramic Hobby Show, will be held at the Palm Beach Towers Hotel Sept. 29 thru Oct. 2.

## County Commissioners Corner

E. W. "BUD" WEAVER

County Commissioner District No. 5

The annual Convention of the State Association of County Commissioners, being held in Hollywood, Florida, September 11th thru the 14th, would have given this Commissioner a welcome "break."

I had looked forward to "Catching up" on the backlog of work in my office in the Glades Office Building, and possibly attending some of the more important functions in Hollywood. However, a severe cold, combined with one of our more common "bugs" has ruled out the Hollywood trips, but some inroads have been made on the accumulated work in the office. I had convinced myself that I would never be missed, when I was very pleasantly surprised by several phone calls from fellow Commissioners from various parts of the State wanting to know why I wasn't present. If I may be allowed to count my friends as "riches," then I am indeed, "a wealthy man."

Thursday, September 15th, will see the Commissioners again sitting as a Board of Equalization. Hearings are scheduled through Thursday, Sept. 22nd, and then to resume, if necessary, on Monday, October 3rd. The one thing that stands out, as a result of these hearings, is the definite need for some form of Tax relief to come out of the 1967 session of the Legislature. The burden on the property owner is certainly becoming unbearable.

**AFTER THOUGHT** — (Josh Billings is credited with this one.) "Flattery is like perfume, to be sniffed and enjoyed, but not swallowed."

## Glades Courthouse Notes

By Mary Arthur Stirling

Deputy Sheriff Dean Alford, Road Patrol division of the Sheriff's office, has returned to work after three weeks vacation. While on vacation Mr. Alford had emergency surgery and spent one week in the hospital.

Among those attending the State Association of County Commissioners Annual Convention were Mrs. Wilma Alley, deputy director of Palm Beach County Welfare, Mrs. Mary Gore, Mrs. Doris Spooner, Mr. L. B. Oliver, Jr., Social Workers for the Glades area, on Sunday afternoon at 2:00, at the Diplomat Hotel in Hollywood, Florida. Mrs. Alley remained to attend the rest of the meetings to be held thru Wednesday.

David Day, Sgt. of the Road Patrol, left for two weeks vacation and will tour the State of Florida and parts of Georgia.

Miss Terry Connell, a member of the Diversified Co-operative Training program at Belle Glade High School, has been hired as a clerk-stenographer in the office of Magistrate Court Judge James L. Tyson, Jr. The high school senior, who is the daughter of Mr. and Mrs. Lynn, will be training under the supervision of Deputy Clerk Barbara Milligan.

George Suttle, Road patrol division, has returned to work after spending his vacation in Virginia.

Mr. and Mrs. Levon Milligan have purchased a new home at 1165 Stillwell road and will be moving in this coming Saturday. For the past two years they have resided at 8 N. W. Avenue B.

The man who can smile when things go wrong has been probably just thought of someone he can blame it on.

## Student Assists At Library

RUSSELL TENET sits at the typewriter he manned this summer as a student assistant at the Belle Glade Public Library.

"I'm a city employee!" This is the reply Russell Tenet gave to the Library patron who asked him what he was doing in the Library this summer.

A very efficient employee he has proved to be, according to Librarian, Mrs. Bettie Harris. He worked afternoons of all but two weeks in July and August, and on into the month of September. During this time he has not only been a dependable worker, according to his "boss," but he has been good at boosting the morale of those about him.

Seventeen-year-old Russell, who has about six months of study before earning his high school diploma from American School, a correspondence school, is taking a heavy load of business subjects, including bookkeeping and business law. The typing he has taken through the school comes in handy on the job. Besides typing library cards he has helped prepare new shipments of books for the shelves.

Perhaps his most useful talent has been in the field of public relations. He was responsible for selling a re-

cord number of the duplicate and discarded books the library had for sale this summer. He made an impression on library patrons he served. One local businessman, who comes into the library regularly, asked Mrs. Harris who he was. "He's terrific!" was the patron's comment.

Russell, who says his favorite extra-curricular interests are his car, and golf, hopes to prepare for a job in electronics, perhaps in radio and TV. He is also very active in young people's work at First Baptist Church. According to his pastor, if there is anything going on at the church, Russell is there.

The son of Mr. and Mrs. R. L. Tenet, Sr., he has a thirteen-year-old sister, Mary, at home. He was born in Orlando, and lived for a while in Sanford before moving with his family to Belle Glade when he was eight years old.

To the casual observer it would seem that if Russell goes into his chosen field of electronics, it will be the library profession's loss.

Mr. and Mrs. Ann Joachin, O. L. V. M.

Sister Gabriel Marie announced that a special course in Adult Religious Education will be offered by the Sisters at St. Philip Benizi Hall every Monday evening from 7:30 to 9:30 p.m. beginning Oct. 3. Everyone is encouraged and welcomed to attend.

Mrs. Terry Miller was appointed as official delegate to the 33rd National Convention of the National Council of Catholic Women to be held October 5-8 at the Fontainebleau Hotel, Miami Beach.

Monsignor Jose M. Juaristi, Mrs. J. L. Murphy, Mrs. J. Friedheim, and Mrs. Alfred Weber will also attend the convention.

Brief reports were given by Mrs. Weber, Mrs. Murphy and Mrs. Friedheim on the East Coast Deanery Board meeting held September 1 and the workshop for Retreat Recruiters meeting, on September 13 which they attended. Both meetings were held at the Cenacle Retreat House, Lantana.

# Suncoast Conference

## Pre-Season Football Wrap-up

Four of the seven teams in the Western Division of the Suncoast Conference have new head football coaches and last year's contenders, Belle Glade, Pahokee, and Pahoche, are rebuilding, so an exciting race is in prospect this fall.

Tom Roberts at Clewiston will be the only head mentor new to the league. He was an assistant at Sarasota High the last four years.

Jim Navitsky, Stuart Jun for High coach the last two seasons, takes over the top job at Martin County High, and Robert Shirar and Doug McCain, after serving their apprenticeships, have moved up to command at Jupiter and Okeechobee, respectively.

The only coaching change in the Eastern Division, which includes the league's larger schools, is at Dan McCarty here, where Mickey Vland has been assigned the task of rebuilding the team following significant success at Kenmore High School, Akron, Ohio.

McCain and Roberts appear to face the stiffest as-

signments in developing championship contenders. At Okeechobee, McCain is the fourth head coach in as many years. The Brahms started impressively last season, claiming a tie and a victory in the first two games while not allowing any points, but finished the season with a 1-7-2 record.

Several transfers with experience brighten the picture, but Okeechobee may still be a year away with only eight seniors on the squad. Ron Mixon will direct the attack at quarterback.

Clewiston finished the 1965 campaign strong with solid victories over North Fort Myers and Okeechobee. Bobby Redish, whose passing led to the Tigers' late-season surge, returns at quarterback.

However, Clewiston is still the smallest of the 14 schools in the conference and generally is more susceptible to injuries than some of the others.

Shirar, perhaps, stepped into the most favorable sit-

uation among the new coaches. Traditionally, a small school power, Jupiter, had an unusually lean year in 1965 with a 2-7-1 record, but has 12 lettermen returning and a strong defensive line which should keep the team from being embarrassed, win or lose.

A lot will depend on the availability of Louis Matriciano, a promising sophomore halfback who will have a cast removed from a broken wrist the day after the opening game. If Matriciano can go this fall, Jupiter may, too.

Martin County won three games each of the last two seasons after losing 18 in a row during 1962-63. The Stuart Tigers are overdue, to be sure, but whether Navitsky can bring them back his first year remains to be seen.

Fullback Terry Rodgers and tackle Bobby Fenton are solid operatives in the re-modeled split-T which Navitsky has introduced to help balance an expected tough defense.

Winning is expected of Billy Burke's Belle Glade Rams, who captured the division title with an 8-2 over all record last year after going unbeaten in 23 straight games during 1961-62-63. But this year, Burke must rebuild to overcome the loss of 18 lettermen, 10 of whom were starters.

Pahokee chased Belle Glade all the way to the championship last fall before losing to its arch-rivals in a Thanksgiving Eve. The Blue Devils have been bolstered by some transfers from East Lake High and have a Patscock in the line-up, as usual, in fullback Jerry.

Boca Raton, like Jupiter, Clewiston and Okeechobee, heads into its second year of Suncoast membership & may have the best chance of the four newcomers to bid for the Western title. Coach Harold Hazelwood has a line with size and experience and a smart-looking backfield, but must get past Belle Glade in the opening game to be considered a serious challenger.

Many "guess-perts" have been ready to award the Eastern Division title to Lake Worth since last spring and the Trojans look capable of taking it. Lake Worth has 15 returning from the team which won seven games last fall, including the first victory over Thanksgiving Eve rival Seacrest in several years. Vero Beach, which rode a tough defense to the Eastern title last year by allowing only 10 points while winning all size league games, will have to find some linemen in a hurry to protect quarterback Larry Jones, the school's best passer in three years.

Seacrest, unbeaten in its first seven games last season before losing to Vero Beach and Lake Worth, has an unusual amount of pre-season injuries and need to get healthy in a hurry. Guards Meredith McCandless, sophomore of the year in 1964, and Gary Zill, anchor the traditionally tough Seacrest line.

Riviera Beach, Forest Hill and Palm Beach are each starting the second year under their present coach and familiarity should help. The Hornets were 2-1-1 their last four games a year ago for a 4-5-1 record. Coach Lincoln Knowles has a sound backfield led by quarterback Bob Schueman and could, with a good start, surprise a few folks.

Forest Hill was hit hard when several players Coach Jerry Jacobs had planned on, including quarterback Mark Sipperley, decided not

**POSITIVE PROOF** — Skipper Schoepel caught this huge Jew fish, weighing in at 140 lbs. aboard the Blue Heron II out from Ft. Myers Beach with Captain Curly Godwin. Skipper was on the deep-sea fishing trip Sept. 3 when his father Eddie Schoepel entertained the employees of the Glades Chevrolet store. Hawon the Jack pot and was very enthusiastic about the big fish which took him 35 minutes to bring in. This happened about 40 miles out in the Gulf.

to come out this fall. Jacobs finds the Falcons, small and inexperienced as he builds around eight lettermen. It took Palm Beach more than half the season to get straightened out last year, but the Wildcats won their last four games by a whopping 94-41 scoring margin for a 3 record. But 24 of the 33 lettermen have graduated and Len Brown's Wildcats are a question mark.

Vland insists that success at Dan McCarty depends on execution of a wide-open offensive. The Eagles have only three victories and a tie for their last 24 games, but squad spirit is high and the Fort Pierce team could surprise.

Lake Worth and Palm

Beach get a jump on the rest of the conference school Thursday, Sept. 15 with a game at Cooley Stadium in West Palm Beach.

Two schools in the Suncoast start a week late, on Sept. 23. Martin County hosts Okeechobee in the Western Division feature. Belle Glade visits Forest Hill in an interdivision game which does not count in the standings.

## "The Farm Front"

By Doyle Conner

(Continued From Page 7)

Does this mean that there is outright profiteering going on in food channels? It will be interesting to study the report of the investigating teams currently at work on that question.

Equally as important as the price increases already experienced are the dangers of additional increases in the future.

There is no doubt the food price situation will be affected by the farm labor shortage. Adequate harvesting labor was not available in some areas and growers were forced to reduce their plantings.

Here in Florida, for example, the strawberry acreage was reduced by almost one-third last year after the previous season's labor crisis.

Other phases of Florida's agricultural industry feel the drastic effects of a labor shortage, too. Growers of citrus, sugar and perishable winter vegetable crops face extreme problems when they demand even more services in the future.

It appears that representatives at every level in the food handling process have upped prices to cover their increased costs — and added a little more, for com-

fort. This practice tends to snowball prices. A modest increase at the bottom of the marketing ladder has ballooned substantially by the time it reaches the retail level.

Their crops cannot be harvested at the proper stage of maturity. The same growers may find themselves in another tight labor bind this next season. If the U. S. Department of Labor continues to deny the growers relief by allowing offshore laborers to assist in the harvest, then we may see limited supplies and high prices such as we have never experienced.

The labor picture has become more complicated because agricultural workers are now being organized by labor unions. It seems highly probable that labor difficulties will cause higher production costs for the growers in the future.

The grower's profit margin is so small he must find a way to pass the added cost on to the consumer.

There is a solution to the problem, however. If the administration in the nation's Capital would relax its rigid labor policies, offshore laborers could be brought into the state during the critical harvesting seasons. As a result, substantial food price increases at the farm level might very well be avoided.

## Claude Jones Moves To New Location

Claude Jones, attorney, has moved his law practice from his original location, 26 W. Avenue A, to suite 108 and 110 at the Holiday Inn.

A graduate from the University of Miami in February of 1961, Jones began full practice of law in Belle Glade that same month, and retained the Avenue A location until he sold the property recently to the City of Belle Glade.

In 1964 he opened Belle Glade's new Holiday Inn and has combined operation of the business with his law practice while getting the new project successfully underway.

The month of February has particular significance for the Jones family. It was in this month, also, in 1946, that he married the former Doris Jordan of Canal Point. They are parents of two sons and one daughter, Sidney, 19; Arthur, 17; and Lucy, 13.

## A Note from Greetings To The Lake Shore Family

Student Council President

### the Editor

As editor of the Lake Shore High Bobcat Page, I'm happy to welcome your return. We intend to make this year's Bobcat Page a smashing success.

This year we will have more pictures, more news about teachers, students, and organizations; a more thorough coverage of sports along with action pictures.

We would like your cooperation in purchasing newspapers. We need your help in making our paper the best ever. We will welcome all criticisms and comments.

Editor,  
Joe Sheely Jr.

BARBARA FINNEY

As president of the 1966-67 student council I'm indeed glad to welcome you back and to extend to the newcomers a hearty welcome from the Lake Shore family.

I hope that we came back hungry for knowledge and experiences. Lake Shore strives toward preparing its students physically, mentally and morally so that they may become well rounded individuals. I challenge you to eat of the knowledge and become full so that you may grow and gain from the experiences offered at Lake Shore.

I admonish you to prepare yourself fully and well in your field of endeavor. We need your help in making our council and school great.

Remember we can not all do the best but we can all do our best.

Student Council  
President  
Barbara Finney

## Principal's Message

CHAS. M. MCCURDY

The opportunity is taken here to welcome all members of the Lake Shore family as we begin our 1966-1967 School Year.

Here at Lake Shore, the administrative staff and faculty endeavors to provide learning and seeks to develop boys and girls who will use their knowledge, energy, and skill for useful objectives.

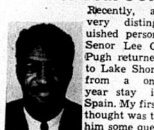

One of the fine evidences of student accomplishments during my years at Lake Shore High has been the weekly edition of the Bobcat Page produced by the students during the last two school terms.

The Bobcat Page stands not only as a memento of your school days, but symbolizes your ability, to work and achieve.

With the aid of the numerous and varied ideas and abilities that have joined us this school term, and additional plant facilities, we are looking forward to a most prosperous and advantageous school year.

Charles McCurdy, Principal

## Spanish Instructor Returns After Year's Study In Spain

Recently, a not all work He attended very distinct parties, visited museums, unished person, zarzuelas (Spanish Operas) and soccer games. Senior Pugh also added that the to Lake Shore bullfights were as exciting from a one year stay in Spain. My first thought was to him some ques- tions about his trip and to

share answers with you. At first I was quite nervous; but while conversing with Mr. Pugh I soon forgot my nervousness and was at ease.

Senior Pugh explained that he had two main reasons for going to Spain, the first reason was to study, improve and perfect his speaking, writing and listening ability in Spanish. The second was to observe the customs and habits of the Spanish people. These studies were divided into two programs, the first half of the year Senior Pugh studied at the University of Madrid.

I must add that Senior Pugh's stay in Spain was

the dress in Spain is becoming more westernized or in other words basically the same as ours. The first six months of Senior Pugh's stay in Spain was rainy. It rained almost everyday. During the summer it is quite hot. The winter temperature is similar to the temperature in Alabama.

I asked Senior Pugh what was meant by the phrase, "The rain in Spain, falls mainly on the plain." His explanation was, that this phrase comes from the movie MY FAIR LADY, where in an English person is trying to teach correct enunciation.

My last question was, "Senior Pugh would you like to return to Spain?" His answer was brief, "Yes definitely."

On September 6, 1966, the Lake Shore High Marching Bobcats started the 1966-67 school year with a gigantic rehearsal. This year the Marching Bobcats are members of the Florida Bandmaster Association Inc.

Because of a recent merger we have changed from four (4) to district eight (8). The band festival is scheduled for November instead of the usual month of March.

We are happy to receive the following new members from the marching Hawks of East Lake High School: Ivan Samuels, and Frederick Bass.

The marching Bobcats have a "Batman Show" planned for the first game with several Batmen tunes. The field rehearsal are arranged to prepare the marching Bobcats for football games half-time shows for the district marching band festival in November.

## "Coach's Prediction"

"Mays High has a good team and it should be a good game. It's going to be hard to win, but they can be beat. Mays is a strong team with the 15 veteran players that they have received from Carver High School of Coconut Groves, Florida. It will be hard but we will play to win."

## Anticipation Mounts As Rams Ready

### Students Reveal Enthusiasm

Now is the time for all good students to come to the support of their team! Enthusiasm and anticipation mounts within BGHS students as the big night approaches. The following comments indicate the students' emotions pertaining to the first game of the season:

Margaret B. — "Can't Wait."

Gail R. — "It ought to be great!"

Maxine T. — "You mean besides the fact that we're gonna win!"

Kathy B. — "After watching the scrimmage, I think we're tough."

Pat B. — "We're better than they are."

Kathy M. — "Hope we have a lot of spirit."

Dick H. — "Been waiting for a month."

Pessimists, however, reveal that they are afraid we're going to lose. Support your team and show them they are wrong.

### Couch Hilburn Announces Mustang Lineup

The Jr. High Mustangs opening game is this afternoon at 4:30 against Cardinal Newman, to be played here at home. Coach Dale Hilburn announced the starting lineup.

For this first game in the Jr. High's history, Hilburn will send to the field Billy Thibault, right end; Jimmy Minney, left end; Jimmy Besdole, right tackle; Wally Lutz, left tackle; Dickie Snow, right guard; Benny Parrish, left guard; Eddie McGlinary, quarterback; Steven Close and Jerry Courson, tail backs. Team captain will be announced.

Coach Hilburn is well pleased with the team's progress, enthusiasm and potential.

"It's a good team, inexperienced, but they should put up a good fight," he said.

### Attention Art Club Students

All members of the Art Club, both old and new, are asked to attend an Art Club meeting on Thursday night, September 22, from 7 till 9 in room 306.

The program will consist of working on the October school bulletin, and afterwards, the club will resume work on the mural on the wall next to the cafeteria.

The Art Club plans to sponsor dances, projects and more surprises.

### B-Team Starters Named By Coach Bowers

The starting line-up for tonight's B-team game was announced today by Coach Emory Bowers. Game time is 7:30 on the home field against Stuart.

"Last year Stuart's team was a tough one. We'll hit 'em hard," Coach Bowers commented. "We've got some good players with good team spirit."

Going to the field as starters will be Greg Jones, left end; Roger Harrell, left tackle; Jimmy Brooks, left guard; Kirby Norman, center; Jorge Balan, right guard; Ruben Ledema, right tackle; Jorge Campa, right end; Tommy Altman, quarterback; Dennis Connel, right halfback; Freddie Whitlock, fullback; and Mark Whittemore, left back.

### Statists Hit State

Outstanding students were sent by the American Legion and American Auxiliary to Tallahassee in June to participate in Boys' and Girls' State activities.

Ronnie Gerrey, Pat Bowen, Eddie Vandergift, and Don Campbell were the Boy starters. Statistics show worthiness as Eddie V. President of the Student Council, Ronnie Gerrey, President of the Senior Class, Pat B., past President of the Junior Class, and Don C., President of FFA.

The Girl Statists were selected in the same manner. Karen Dexter, State President of the FFA Organization, Laura Livingston, President of the Para-Medics Club, and Vickie Wilson, member of Para-Medics.

There were 264 girls and over 400 boys at state.

### Student Council President Extends Welcome

We, the Student Council, welcome each new and old student to these hallowed halls. May each one of you resolve to make this a memorable year.

As president of the Student Council, I extend a personal welcome. I desire your support for a good school year.

pep rallies will be considerably shorter this year than in previous years. This will require students to enter, be seated, and become quiet as quickly as possible in order to devote more time to the assembly itself.

Remember, your student government is only as good as you make it. It can be the best ever or it can merely fade into mediocrity. The choice is yours, decide wisely.

Eddie Vandergift  
Student Council President

### Get Smart . . . Join The Para-Medics Club

The Para-Medics meetings will be held at the hospital cafeteria every 3rd Tuesday night. At each meeting there will be a speaker from various fields of medicine. A field trip to a mental hospital in West Hollywood is planned for the members. Those interested in joining should sign the bulletin board in the middle room of the Home Economics Department.

The purpose of the club is to help girls and boys decide what career they want to go into in medicine or related fields. Anyone who is interested in medicine can belong to Para-Medics, although one should have a "C" average.

The officers of the club are Laura Livingston, President; Linda Lee, Vice President; Vicki Bryson, Secretary; Joy Hudspeth Treasurer; Ivy Barrett, Historian; and Margaret Thompson, Student Council Representative.

Janice Blumenthal and Linda Lee both hold state offices. Janice is State Vice President and Linda is 2nd Vice President.

Last year the club won the "Club of the Year Award" for outstanding work. With the help of Mrs. Litchfield, the sponsor, plans are near completion for this year.

## School Personnel Changes Final

Although there were changes in positions at school, the changes involved shifting positions rather than new personnel.

Several administrative changes were in effect when school began. Mr. Vince Marquess has advanced to the county office where he is Director of Testing for Palm Beach County. He is replaced as Assistant Principal by Mr. Dave Gardner, Dean of Boys last year. The new Dean of Boys is Mr. Wayne Tullio. Coach Burke joined Mr. Lake in the guidance office.

Mr. Tullio comes from Philadelphia, Mississippi. He graduated from Mississippi College in 1957 with a Bachelor of Science degree and in 1963 with a Masters of Education. Before coming to Belle Glade, he was Principal at Pinetop Junior High School in Madison County, Florida. In addition to holding the position of Dean of Boys, he teaches three classes of American History.

Mr. Gardner is serving his third year as Director of Testing. He holds a Bachelor of Arts and Masters degree in education at the University of Mississippi.

Beginning his eighth year at B. G. H. S. Coach Bill Burke serves as part-time guidance counselor to sophomores.

Pep rallies will be considerably shorter this year than in previous years. This will require students to enter, be seated, and become quiet as quickly as possible in order to devote more time to the assembly itself.

Remember, your student government is only as good as you make it. It can be the best ever or it can merely fade into mediocrity. The choice is yours, decide wisely.

Eddie Vandergift  
Student Council President

A university of Florida graduate, he is currently working on a degree in guidance at Florida Atlantic University.

### New Teachers Added To Staff

Four new additions to our faculty are all old hands at teaching.

For the first time in seven years a man joins the English department. Mr. Jim Lowry is teaching Senior English and Humanities. He graduated from Murray State and before coming to Belle Glade he taught in Calvert City, Kentucky. Mr. Lowry was recruited by Mr. and Mrs. Evans this summer.

Asked what he liked best about Belle Glade, Mr. Lowry replied, "the canals — they keep my attention."

The Science Department has two new teachers: Coach Maurice Hammond and Mrs. Olga Wejba. Coach Hammond graduated from University of Southern Mississippi. He taught in Moss Point, Miss., with Coach Davis and Coach Crawford for six years before going into industry. Along with Biology and Physical Science he is the defensive backfield coach and will be the baseball coach.

Mrs. Wejba comes from Guineville where she just received her Master in Science from the University of Florida. She also holds a Doctorate in Pharmacy received from the University of Havana in Cuba. Before entering the teaching profession, Mrs. Wejba worked for three years in cancer research. With all the sugar cane, Belle Glade reminds Mrs. Wejba of her homeland, Cuba.

Industrial Arts Teacher, Coach Wayne Trego, comes from South Fort Mitchell, Kentucky, where he taught for two years before coming here. He graduated from Murray State in Kentucky. Coach Trego is the defensive line coach for the football team and teaches all Industrial Arts classes.

### Secretarial Staff Changes

Other changes are in the secretarial staff.

Dale Williams, clerk this year is Miss Pamela R. Garner, a high school graduate of Minot, N. D. Miss Garner attended PBHS and has lived in Belle Glade for three years. Besides running the computer, she is secretary to Coaches Lake and Burke in the guidance office.

Returning after a leave is Mrs. Pat Williams. She is starting her second year as main office secretary. Mrs. Karen Korbin is leaving the school to give private piano lessons.

New in the student office this year is Mrs. Helen Youngblood, the student secretary. Before coming here she worked at Sunland Chemicals.

Mrs. Joanne Melnik is the new library assistant. She and her husband, who was on the BGHS faculty last year and now teaches at the Junior High, have one son, Tracy. This is their second year in Belle Glade.

### Ronnie Gerrey Assumes Office Of Senior Class President

Ronnie Gerrey has been elected President of the Senior class. This year, Ronnie is also Vice President of the Student Council and plays the position of back on the Varsity. He attended Boys' State and was secretary of the Junior Class.

Vice President for the Class of '67 is George Richardson. George has been in band all through high school and was Mr. Freshman.
